WHO WE ARE

A team of licensed guides, *based in Tangier*

Tour Guide Tangier is a tour company in Tangier, Morocco, with a team of 10 licensed tour guides. It was co-founded by Fadi Bennani, a licensed guide (licence 3797) who plans every trip and still guides on busy days.

We guide private tours of Tangier and day trips to Chefchaouen, Tetouan, Asilah and Larache; private shore excursions for cruise passengers; a food tour, a cooking class and a photography excursion; and private multi-day tours across Morocco, from one night in Chefchaouen to the imperial cities and the Sahara.

Our own fleet, from comfortable cars to Sprinter vans, carries groups of every size, and partner hotels and riads across Morocco welcome our multi-day guests. Everything is arranged online, so there is no office to visit: your guide meets you where your day starts.

HOW WE WORK

Clear rules, *kept on every tour*

What booking with us means, from your first message to the end of your day.

A licensed guide, always

Every tour is led by a licensed guide from our team. If your guide cannot make it, another licensed guide takes your tour, so we never cancel on you.

Your group only

Every tour is private: the pace, the stops and the start time follow you, and nobody joins you unless you agree.

A fast, written reply

Within 2 hours, between 8am and 10pm Tangier time, you receive a plan and a price per person for your group. A message sent at night is answered in the morning.

Booked when we confirm

Say yes on WhatsApp or by email. Nothing is booked until our team confirms it back to you in writing.

Pay on the day

Most groups pay no deposit. You pay on the day in cash (US dollars, euros, pounds or dirhams), by PayPal or by bank transfer. We do not take cards.

Free cancellation up to 48 hours

Cancel up to 48 hours before and you owe nothing. A storm, a port closure or a strike: you choose a new date or a full refund.

Deposits only for larger groups

Groups of 11 or more pay a deposit of 40% of the agreed price to hold the date, refunded in full up to 48 hours before. Multi-day tours take a 40% deposit too.

Families welcome

Children under 12 count in the group and pay half the adult price. Child seats on request. In the souks your guide helps you compare, and you never have to buy.

YOUR DAY IN PORT

From the gangway *back to your ship*

Meet your guide

Groups of 6 or more find their guide inside the terminal, name sign in hand. Smaller groups meet their guide just outside the port's main exit; we send you the exact spot before your day.

2

We follow your ship

We track your ship's real arrival time. If a late arrival shortens your time in port, the day is shortened too, so you are still back an hour before all-aboard.

3

A private day

Your guide, your pace, and your own air-conditioned vehicle with a driver on the excursions by car. Change the plan on the day if you like.

4

Back an hour early

Every excursion ends at the terminal at least 60 minutes before all-aboard. Thousands of cruise passengers have toured Tangier with us, and none has missed the ship.

5

Pay on the day

Most bookings need no deposit. You pay after you meet your guide, in cash (USD, EUR, GBP or MAD), by PayPal or by bank transfer. No card. Port call cancelled: you owe nothing.

> Just finished a full day tour with Fadi. It was a day packed with fun and exciting adventures, he has great knowledge of Morocco and the history of the beautiful country. This trip wouldn't have been nearly as fun if I didn't book this amazing guide. I will be recommending Fadi to anyone that decides to travel to Tangier.

> We spent 3 amazing days in the north of Morocco visiting Tangier, Asilah, and Chefchaouen. The weather was really hot, but everything else was fantastic! Big thanks to Fadi who took great care of us. We got to try delicious Moroccan food like tajine and couscous. Also, the driver drove calmly so we could enjoy the beautiful views between Tangier and Chefchaouen. Unforgettable experience! Thanks Fadi !
